“ *Even though I was not very athletic I decided to join the track team. We had try outs and I was match against Duncan to run the 100 yard dash. I was about 1/2 the his size and 1/2 his weight. I thought this was going to be a piece of cake. Duncan left me in the dust. As a teenager I was shocked by his speed. I learned a very valuable lesson that day. You can't always judge a book by its cover. I've told this story to my children and now to my grandchildren.*

My deepest sympathies to your family. He was a great guy.

“ *I was a classmate at GMA with Duncan, a kind, gentle, man of a boy who we will all miss. My heartfelt condolences to his family. May he rest in peace.*

“ *Holly and Bull,
I am deeply saddened by Duncan's passing, and I hope he did not have to suffer. Duncan was always a gentleman and scholar around me. I will always remember him as a good friend and a confidant. You and your family will continue to be in my thoughts and prayers. I hope the flowers arrived in time for the visitation.*

Just saw this (10-30-20). Played football with Duncan Dunn at GMA (1959 season) on the B Team. A hard runner you've never seen. He played fullback and was a gentle giant. I'm sorry to hear about him.. prayed to his family.

I am sorry I could not come to the funeral. I hate what all of you have gone through over the years. My memories of y'all are wonderful and I treasure them. I hope the flowers made it and Sarah was able to take them.*
