“ *My Grandfather was a mysterious man with a sly sense of humor. Towards the final years he finally started to show the concern and care of those that loved him. Now he and Eugenia will be camping on the clouds together.

“ We are so sorry we were out of the country when Mr. Earl passed away. We did not learn of his passing until a few days ago. We loved him and will remember him fondly. He was a good friend to my (Vicki)parents and they shared many good times in their camping adventures together. Our love to the family.
