I will always remember the times we visited your Mom and Dad in Florida. She was a great lady and a great cook.

“ *Ms. Edie enriched the lives of those she came in contact. Her kindness, gentleness, great faith in God, her love of fellowship, christian hymns, food, and big fan of dessert are just a few of the things I will miss sharing with Ms. Edie.*

“ We are thankful for the few times we had to spend with Mrs. Edie. She always had a smile on her face, something to funny to say, and made you feel welcome in her presence. When she asked about how we were and what we were up to, you could tell she really was interested and cared.

May God be with each of you during this difficult time.

“ Jack, I'm so sorry about your Mom leaving. I know and you know she is in a much better place and if she could she will be listening to your voice as you praise the Lord with song and heart. It won't be long and you will see her. What a wonderful anticipation! I will always remember her as the Queen of Onion Rings! May the Lord comfort you as you grieve and give you hope with the wonderful knowledge that "when we all get to Heaven, what a day of REJOICING that will be!" Cyndy

“ *She was a blessing to our family. We all loved her and will miss her. She sung Happy Birthday to me the morning that she went into the hospital. I will always remember that day. She was so weak but wanted to sing to me. We had a lot of good times and good food that we all shared over the years. She seemed to really enjoy those times.*
