“ R.I.P. Aunt Edith. The heavens have gained another special angel. To the rest of the family, I love you all very much and even though it saddens me deeply that i never got the chance to tell her good-bye, it brings me some peace to know she was not alone and that she had all of you with her. Even though she is no longer with us she will forever live in my heart and the hearts of those who knew and loved her.

“ *Not having known Mrs. Murdock but being associated with her son Bill, I can only be assured that she was a fine person and a women of great faith and committment. May the lord be with all the family and show them the path is even better for Mrs. Murdock now as it will be for the family if they lean on their faith in the lord. “ Please accept my deepest sympathy. I have such fond memories of "Mama Edith"...

She was such a spirited lady that I came to know and love during my tenure at SGA. I looked forward to Friday nights and seeing her and "Papa James" get to the game early, ready to cheer on the Warriors. We would always share a hug and chat awhile about Bill and his family. She did love that Bill Murdock! I never told him, but he was definitely "a mama's baby"!!

She was so proud of Bill and his accomplishments, as any mother should be. I remember the Friday morning she and "Papa James" surprised him for the annual dedication. She got so excited and even made up a "little white lie" about why they were in Damascus!

I think of "Mama Edith" often. When I left SGA in 2000, she gave me two pieces of crystal from her own collection. This was such a special gift, one that I'll treasure always, and one that is a constant reminder of a beautiful friendship.

Enjoy your memories. Believe me, they get even more special with time. Lean on God and each other.

And know that so many share in your loss and hold you close in thought and prayer.

Love, Jo Davis

“ James, Joy, Darlene, & Bill, Knowing and loving your family for almost 50 years, I have seen the devotion and love between your Mother and her family: one day you will see her never to be parted again! In the last few weeks the legacy of her life dedicated to her family and to God was seen in her children & grandchildren. Proverbs 31:28 "Her children arise up and call her blessed; her husband also, and he praiseth her."

“ We just wanted to tell you how truly sorry we are for your loss. Bill, I have been there and watching the one you love suffer is devastating. You try to prepare yourself, but somehow you are never ready to let them go. But knowing that she is in a better place and that she is in no more pain helps your pain to a certain extent. You have been a rock for her and you should have no regrets. You had her for a long time and now she is at peace. Again, you have our deepest sympathies.
