“ *I have fond memories of Great Aunt Marie, going back to my childhood in the 1960s and 1970s. She always set a beautiful dinner table and served mysterious items (to a Northerner) like black-eyed peas and home-made fried chicken. She never forgot a birthday or special occasion, even though we lived thousands of miles away. When I last saw her in 1999 she was still living on her own and taking care of herself. She was as sweet as ever. She is the last of her generation in our family and she will be missed.*
