“ *I met Edna when I moved to Albany in 1961 and was one of the first people I met. She soon became a very dear friend as we laughed and sometimes cried about life and the friends we loved and lost. My sincere and condolences goes to her wonderful family and thanks for sharing her with me. I will sadly miss her very much...

“ If you could see me now I'm walking streets of gold. If you could see me now, I've seen my Saviors face. If you could see me now, you would never want me to leave this perfect place. Your mom has been reunited with family and one day we will be with her, Daddy and Mama. There is a place in your hearts that is filled with memories of your mom, wrap them tightly around you as we celebrate the home going of your mom.
