“ *Been a long time since I've seen any of you, but we all did spend a long time, with many good memories, on Lionel and Barnesdale. Take care, my prayers are with you.*

“ *Dennis,
We were saddened to hear of your dad's death. Please know that our prayers are with you and your family through this time. I am sorry that we are unable to attend the service. I wish we could be there for you!
Do lean heavily on God's presence as His peace is the only thing that can really help with the deepest hurts!
Love,
Keith and Dianne*

“ *We only knew Ed the short time he and Mary lived at Evergreen but we came to love them both. Our prayers go out for Mary and all the family at this time. Be comforted in the confidence that he is with the Lord.*
