“ *I'm so sorry to hear about Eddie. Eddie and I had some really good times during our high school years. We grew up around the corner from each other and hung out together almost every day. Again I wish to express my feelings of sorrow to the family. Eddie will be missed by all who knew him.*

“ *Every blade of grass in the field, every leaf in the forest, lays down it's life in it's season, as beautifully as it was taken up. Although no words can really help to ease the loss your family bears, just know that you are close in every thought and prayer. Extending deepest sympathy, for your los. And hoping too, that comfort and peace may come to you. For death is no more than a turning of us over from time to Eternity. It's hard to understand why people are taken from us, but find comfort in knowing that you were a special part of a well lived life. Also take comfort in knowing that an "Angel" is watching over you all.*

*May God bless you all in you time of bereavement.*

“ *My heart goes out to you and your family during this difficult loss. No person is truly alone. Those who live no more, whom we loved, echo still within our thoughts, our words and our hearts. When those we love have left this earth, we still can feel them near. We'll hear a song, and it's just like they are here. When we call upon our Faith, when we believe and trust, we know the ones we care about are always close to us. Let your memories be your STRENGTH.....For they are the Legacy of LOVE.*

*My deepest condolences to your family*

“ I know your hearts are heavy and hurting and nothing can take away the pain of loosing such a special person. Take comfort in knowing this was just a journey on earth and that Mr Eddie is home where the world is full of peace and love. Do not think he has left you because he is still looking over you and protecting and guiding you every min of every day. You can still have your daily conversations with him and he will still respond to you. Not in the way he did but in a better way that will comfort you when you need it. My thoughts and prayers are with you through all that you are going through.

“ *The Lord saw you getting tired  
And a cure was not to be,  
So He put his arms around you  
and whispered, "Come with me"*

*With tearful eyes, we watched you suffer  
And saw you fade away,  
Although we loved you dearly,  
We could not make you stay.*

*A golden heart stopped beating,  
A beautiful smile at rest,  
God broke our hearts to prove  
He only takes the best.*

*It's lonesome here without you  
We miss you so each day,  
Our lives aren't the same  
Since you went away.*

*When days are sad and lonely,  
And everything goes wrong,  
We seem to hear you whisper,  
"Cheer up and carry on."*

*Each time we see your picture,  
You seem to smile and say,  
"Don't cry, I'm in God's keeping,  
We'll meet again someday."*

*May God continue to strengthen, cover, and keep you in this time of  
bereavement.*
