“ *Ann, Losing you mother is tough. One of the hardest things that I have ever had to do. God and time will heal. Memories are precious. She will live on in Myles and the other grands. God Bless you, Myles, Robert and the rest of your family as they "weather the storm."*

“ *Kathy, Debbie, Eileen, & Ann Marie, I am so sorry for your loss. Your Mother and Father both played an important role in my life. Growing up with all of you....and my many visits to Pineland will forever be a part of my life and memories. Your mother demonstrated her "strength as a woman" and "importance of family" to everyone she touched during her life. The doors to her home were always open. She made everyone feel welcome "as long as you took your shoes off first".:-) I hope you all take comfort in knowing that she touched so many lives while she was here. I love you all! Connie*
