“ *Amy & James, I am so sorry to learn of your mother's death. I worked with her at the MCSC for several years - until 1962. We also rode to work in the same carpool and lived in the same neighborhood. I lived on Redwood Street while your family lived on Broad Street in Albany. I just learned of her death today, 5/11. Please accept my sincere sympathy as you grieve her passing. She was a wonderful friend. Irma Carr*

“ Amy,

*I am so sorry to hear about your Mother. I would have been at the service had I known in time.*

*We could have shared lots of memories too. I wish you had called me when you were here, but I know things get really hectic when your dealing with such a close personal loss. How are your girls? (and Tim?) Is Jimmy still in Lake Park, GA.? How is he doing? I know it was hard on you taking care of your Mom. I am looking after both of my parents who are in very poor health. It's not easy. Again, I am so sorry to hear about your loss and that I did not find out about it in time. I wish you would come to the reunion. We would all love to see you and catch up on all that you are doing. Please email me at [virginia.gray@darton.edu](mailto:virginia.gray@darton.edu) or [lgray@surfsouth.com](mailto:lgray@surfsouth.com). Take care. Love as always, Virginia*

“ Very sorry to hear about Nell.

*I worked very closely with her at MCSC Albany, GA. for one year (63-64) until I got discharged from the Marines. We always had a deal, I would write the programs for the computer and she would do all the documentation. I met her a few times after I got discharged as I went back to work for the Marines as a civilian and had many TAD trips to Albany from Philadelphia. It's awfully funny, because I was just thinking about her last week. Once again, I'm very sorry to hear the news and will remember her for many years to come.*

“ Amy,  
*I was so fond of your Mother. We "played" dolls together. I was  
unable to attend the service as I keep my grandson on Thurs.  
We'll miss you at the reunion. Please stay in touch.*
