“ I want to express my sincere sympathy to Ellie's husband Dennis, her brother Michael, her sister Rita and daughter Pam. Ellie was my first girl cousin I was close to. I remember our trip to Florida after they moved there from Abington so well. We drove to Florida the five of us in the summer with no air conditioning. We had so much fun down there in West Hollywood. Those are special memories. It is wonderful how her husband took care of her to the end. My heart is with all of you. Joan Ronayne McDonough.

“ I am so sorry to lose my sister Ellie to her long battle with M.S. She was able to put up a brave fight for many years with the support of her loving husband Denny. His caring and compassion of her care have been inspiring and appreciated by her family! Ellie also loved to shop and spend time with Mom. She also said she missed having family holiday dinners, with Mom's turkey for lunch and Dad's turkey sandwiches for dinner. I hope they all find comfort together in heaven.

I'm so sad to lose my cousin, Ellie. It's been a long time since I've seen her, but I have many childhood memories. She was a bridesmaid at my first wedding. She was only 16 and so shy. I saw her pretty often when we were both living in south Florida. I can still hear the sound of her laughter. Our families relied on each other for entertainment, and we were always playing games or cards. Her sister, Rita, has kept me caught up with her struggle with M.S. Knowing she's not suffering anymore is of comfort to me. She has a lot of family members waiting to embrace her again. My condolences to her daughter, Pam and her grandchildren and great grandchildren, and to her sister Rita and brother, Michael and her beloved husband, Dennis, who was caring and loving to her always. His love for her was so beautiful. Rest in peace, my sweet, shy cousin.
