“ *Dear Cathy and family. I send my heart felt thoughts and prayers to you. I am so very sorry I was not the one there for y'all and her but I actually was terminated from my job on last Thursday and my one request was to make sure they called to check on you and Ms Adkins because she was my baby and I knew y'all trusted me. I am at the beach or I would attend her services. Just know I loves her and took care of her like she was my own mother.*
