“ I would like to send my condolences to the Berg family. Liz was a very loving and warming person. Over the 9 years when I was employed with Manpower, she was an awesome Branch Manager. She was so humble and was always there to offer assistance whenever needed. She always was there to give support and encouraging words. I will definitely miss her and that loving smile she had. May God give you all the strength needed to endure during this time.

“ *My sincere condolences on your family's loss. I was a patient of Dr. Joseph Berg for many years as a child, (and young lady), and had the recent pleasure of meeting Dr. Chandler Berg. The name Berg, always catches my eyes and I have Dr. Berg to thank for that. I send my prayers and hopes that you all find comfort in God's love.*

“ *To all of the Berg family: Though I was not close to Elizabeth after we grew up, I have many wonderful memories. I think one of the last times I saw Elizabeth was out eating Sunday lunch with Evelyn at Red Lobster. Just like her mother she was always easy to recognize because she was such a beautiful person inside and out. We had so much fun on the Albany Swim Team too. Since Mimi's death we have put all of our home movies on DVD, and there are many of Elizabeth, Ri, Susan and myself through the years. Please know you will all be in my thoughts and prayers.*
