“ *Dear Drake Family,
So sorry to hear about your loss. Nothing can really fully prepare us for the loss of a loved one. But we can find comfort and hope that they are no longer suffering as ecclesiastes 9:5 reassures us that they feel nothing at all, and that One day we won't have to deal with death because there will be no more pain and death like Isaiah 25:8,9 tells us. hope this has brought some comfort to you. And again my condolences.*

“ Libba holds a special place in my heart! She and her husband, Larry had been friends of our family for so many years! My mother, Boozie Knox, was best friends with Libba growing up in Albany, Georgia. Libba and Larry always came over to our house on Christmas day or Christmas Eve to exchange Christmas presents and goodies. In recent years they both came to our Thanksgiving Day dinners and were such a delight to be around. Libba was always smiling or laughing and usually had a clever joke or story up her sleeve. I know Libba is rejoicing now with her husband and her Lord Jesus in heaven. We all are sad to lose Libba; but grateful for the wonderful life she had serving her church, her family and her Lord Jesus! Love you Libba, Sally and Boozie

Worked with Liz many years ago. She was a very sweet, kind person. Know she is happy with Larry again. Always enjoyed seeing them. She had a smile for everyone!
