“ *To all of John's Family; please accept our deepest sympathy on your loss. We have known John for years as he worked with Robert at "Jamco" and "Deckwright". Robert had just spoken to John last week and we are stunned to hear of his passing. We will miss his smile, kindness and sincere friendship. May you all know we are thinking of you during this difficult time.*

Robert & Janet Bryan - August 13, 2008 at 12:00 AM
