“*"Aunt Sally" was such a wonderful southern lady.. She meant so much to so many. She was a loving sister, mother, grandmother, great-grandmother and a special aunt and great aunt to all of her family. She has left us to be in a better place, with no more pain, but she leaves all of us with so many fond memories that we can share with many laughs and love as we have always done when we got together to share our love with one another. Much love to Jennifer and Sandra and their families, I too know how much you have lost, but we know for sure where she is and how many were waiting on her to arrive. God Bless all of you at this time. Peggie, Bob and all the family.*

“ *May the love that you all shared as a family help cushion the pain that you and your family are feeling at this time. No doubt you have fond members of your loved one. Be assured that one day we can all meet again, under better circumstances. I know that has helped me get through the death of my mom. I can remember some passages that were shared with me that still helps me, they are found at isaiah 33:24, john 5:28,29 and revelation 21:4,5.please read them and let me know through e-mail what you think about them.*
