“ In 1976 I was hired at Wesco in Albany and that is when I had the great pleasure of meeting Miss Dolly. She was kind, attentive and so helpful to me in my job. She was a true lady in every sense of the word. When I transferred to Wesco in Savannah I would talk to her frequently on the phone and she would always have an interest in my life. I was blessed to have know such a wonderful person. To the family I offer my sincere condolences.

“ I am Murelene's sister so I had the pleasure of knowing Mrs. McDanial. I was blessed to be able to see lots of her paintings and enjoy visiting with her. She painted from a picture of my home I lived in and raised my children. It is beautiful, something I will cherish forever! I am praying for all the family, as well as Terry and Murelene. They loved her so.
