“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to www.watchtower.org for more information.*

“ *She was my mother. I miss her already. She was as good a mother as anyone has ever had. My daughter is her namesake and will continue to remind me of her.*

“ We were so sorry to hear of Betty's passing. Although we'd not seen her in many years, she and Charlie Ray were people we always remembered with delight. May God grant you peace and comfort at this time and in the days ahead. God bless you. Love, Robert and Linda

May the loving memories of the one who meant so much to you bring you peace and ease your sorrow too. For the memories you cherish, though they sometimes bring a tear, will help you feel your Mother's love is always very near. “ Hi Betty's Children
I don't know if you remember me or not, as I haven't seen you for years. My kids and you grew up somewhat together on Elton St. (Wayne, Glenda, Larry)
I saw Betty's Obit in the Albany Herald and was reminded of the times when we all used to get together.
I know this is a shock to all of you as nothing can replace a mother. I will be praying that God will comfort all of you.
Sincerely, Glenn Watkins

“ Don, Dale, Dave, and Diane,

I am so sorry to hear about Betty. You are just like part of my family and we love each of you. Mother and daddy and Charles Ray and Betty were the best of friends. Let's remember the good times that we all had growing up and know that our parents have all been reunited in heaven.

We will be praying for each of you. You have taken good care of your mother for all these years and your mother should be proud of each of you and your families.

“ Just to let the McBride family know I am thinking of you. My Mother, Grace Culbreath "Cub" Hinson, was a classmate of "Mac's". I have such great memories of visiting with your Mom when I took Mama to the class reunions of the Macon Hospital School of Nursing class of 1944. I was in your place last week. I will be thinking of you and have you in my prayers as you go through this week.
