“ I am so sorry to hear about Mrs. Holloway. She was truly a sweetheart. My daughter, Brittany Evans, rented from her a few years ago, (we were just talking about her on Sunday) right net door in the house she raised her boys in. I was very thankful to have had her next door to Brittany while she lived there. She will surely be missed by many. Our thoughts and prayers are with the family at this time.

“ I only have vague memories of Mrs. Holloway, as I was probably 5-years old the last time I seen her. She lived behind my grandmother on Cromartie Beach. We used to go to her house all the time to see her. She always gave us snacks and listened to our childish stories. She was great, and I am saddened by this loss. I was just on google the other day trying to get a number or something to reconnect her and my grandma. We'll miss you!
