“ *My mother, Vera Macon, and I lived, as we would have put it, down the alley from Ellen. It was the best neighborhood I've ever lived in. I miss the get togethers. We all loved each other. I believe mother and Ellen are laughing and talking about old times. Take comfort in knowing we will all be together again one day. God bless you. Vera Arlene Macon Edwards San Diego, CA*

“ We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord (2 Cor. 5:8). Continue to hold each other up. I hope this time will open your hearts to love life more as well as each other.

“ John 14 :1 ?Do not let your hearts be troubled. Believe in God, believe also in me. 2 In my Father?s house there are many dwelling places. If it were not so, would I have told you that I go to prepare a place for you? 3 And if I go and prepare a place for you, I will come again and will take you to myself, so that where I am, there you may be also." Family, we trust and believe that Memomma is in a better place. Prayers and sympathy
