“ *Douglas, Darryl, Brian and other family members. We have all been wishing you well in this time of the loss of such a sweet and loving mother, sister, and friend. She will never be forgotten in our thoughts. What a legacy she has left all of us who knew and loved her so much. We all send our love to everyone. Love The Burdg Family from 63rd Avenue Broadview.*

“ *To the children and other family members:  
Please accept my deepest sorrow in the death of your mother. Your mother was in my high school class of 1956. The class just this past weekend had a 50th year reunion. Your mother's name was among those we were unable to locate. I have sent an email to the other classmates telling them of her passing. May God uplift all of you in this difficult time. God's blessing to all.*
