“ *Stephen, I am so very sorry to hear of your mother's death. Both your parents meant the world to me. I will miss her calls when you would be in Atlanta and the Christmas cards she mailed to me every year. I am so grateful for the card she sent to acknowledge my daughter's college graduation recently. It will be a treasure to keep. Again my deepest sympathy for a wonderful person I will never forget. Thank you for your phone call.
