“ *Miss Eloise was a testament to family loyalty- She possessed an inner strength which was fueled by her love for her children. She raised two daughters and a son who loved her dearly and relied on that strength through the trials and tribulations in life. Iris and LoAnne will always carry that legacy of love with them.*

“*Eloise was the "Matriarch" of the family. She was a force to be reckoned with and she ruled with an iron hand. That same hand could soothe and comfort and she often had to use both. I will always remember her as "my second Mom" who never refused a request for me to spend the night under her roof. Thanks for the memories and we know you are resting the the arms of Our Heavenly Father" ..*
