“ *Words are all we have, you will hear many, you will remember few.
Our prayers will be many and hopefully last forever.
These words are borrowed but say what my heart feels.
We love you

“ *My thoughts are with you all. You took good care of your mom. I know you will think everyday special thoughts of what a special mom she was to you and a special person to so many others. May the wonderful memories be what you need until you are together again. The most unexpected things will remind you of her.*

“ Dear Mary Lee and David, I just heard about Miss Eloise. I cannot tell you how many times I have thought about her over the years. She was always such a loving and caring person and such a positive influence in my own life. One of my fondest memories of her was sitting at the big dining table in the kitchen on Maryland Drive as she served PaPa, David, Lee Shore and me crackers and peanut butter or ants on a log.

When the doctor told us mama was gravely ill, it was Miss Eloise that I called, and in true fashion, she was at the hospital within thirty minutes. She took me in her arms and told me that mama would be going to the most beautiful, joyous place....Heaven, and I should rejoice knowing that she will never know anything but joy and happiness for all eternity. Our world has lost a true Christian lady and as much as my heart aches at this moment, I know she is visiting with mama right now. Please know that all of you are in my thoughts and prayers. Fondly, Becky Simmons Whitacre

“ I can't count how many times I would go to Maw-Maw and Paw-Paw's house (Helen and Walter Rushton) and see Aunt Eloise's car parked in the front driveway. That meant she and Maw-Maw were visiting, and there was always a hug and a big smile to follow. It was a constant reminder of the blessing having a large extended Rushton family here in town! Aunt Eloise will be missed...we love her and know we'll all be reunited one day!

“ I am so sorry for your loss. She was a wonderful, sweet lady. This will not be easy, but it will get easier to face as time moves. My mother (Annette) passed away 3 weeks ago so I can tell you that it is not easy but always remember the LORD will get through it. My sincerest sympathies. Love, Earline Chandler Easom
