“ *I had the pleasure of working for Mrs. Glenn when she was with the Hartford. In the 20+ years since, I have never worked with an adjuster who had more ability, diligence and character. Her sense of humor was an added bonus. I respected and admired her very much, and I am truly sorry for your loss.*

“ We're saddened to hear of Aunt Elsie's passing. She has been in our thoughts and discussions all weekend. We will miss, but not forget her broad smile and positive attitude. You have surely been blessed with wonderful parents. I'm sure that thought has fortified you many times. We look forward to our next visit.

“ Betty, Linda and Family,
My prayers are with you. I know hard this will be, especially during this holy season. We lost daddy in December 1996. Our family and friends got us through that first year. I know that yours will do the same.

I will always remember the times I visited you in Albany when we were just kids. At times that seems so long ago and then just like yesterday.

Your mom never lost her Carolina drawl....it was part of her charm. She will be missed.

Love to all, Mary

“ Linda & Betty: When I think back, it seems that I spent as much time at your house during my first 14 years as I did my own....sleeping on the trundle in the middle bedroom. Your mom & dad were special people and I shall always remember their kindness toward me. My prayers & my love to you & your families.

“ Dear Linda,

It is now Monday night and I am in Tampa for a week-long CCIM course until late Friday.

I was reading The Herald on-line as I do occasionally and saw that you have lost your special mother. I share your loss and was very sorry to learn of it.

It is a tough time to lose a loved one but I wish you and Rod a special holiday season.

All is well with me.
