“ *I worked with Bea at Mars. She was a true lady, a hard worker, and a very caring person. I will always cherish her memory. Prayers for you all.*

“ *Dale, Jimmy and families,  
Praying that in His perfect time and in His gentle way, God's caring touch will comfort, support and strengthen you all. May the memories that mean the most to you, live forever in your hearts. After many years of running into Bea around town, imagine my surprise when I went to work at M&M Mars and got to see her often. She was full of stories about you all but Cody's twins did take first place. You are in my prayers.*
