“ *I am so sorry to hear of Emma's passing in 2010. She and my mother were close friends, both having worked at MacGregor Brunswick. They were also both excellent seamstresses beyond compare. Emma made my veil and the groom's cake for my wedding in 1983. She hand-sewed the pearl trim around the veil. As I was growing up in Albany, GA, my mother and I spent many days at Emma and Johnnie's house, drinking tea, fitting clothes, laughing at Johnnie's jokes and just sharing the days in our lives. True friends, and, eventually, true 'family', as Emma was like a second mom to me.*

My own mother passed away in 2005 here in Florida and Emma drove all the way down here just for me. I drove up to GA for Johnnie's funeral and Emma treated me just like family. I will love Emma and Johnnie always, and I miss them both.

*My deepest sympathy to their family--peace be with you all.
Sincerely and with much love,*

“ Larry, Sandra and Kathy, I am so sorry to learn of Emma's death yesterday at church (Warwick UMC). We had many good times together both at church and going to the Albany Little Theater. She talked about the three of you all the time. I have missed her (and Johnnie) and will continue to have all of you in my prayers. You had a good mama and daddy. Carol Anne Moore
