“ *I worked with Hank in the facilities department during the summer of 1993 and really enjoyed my interactions with him. He had a unique, outgoing charm that left a lasting impression on me. I fondly recall sitting in his office at lunch, listening to NPR, and having interesting conversations with him.*

*My condolences to his family.*

“*Dear Heidts, I am so sad for all of you and wish I could be with you this week. I am praying that God will send his angels to surround you and give you peace “So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy.”*
