“ *I am writing you to express my deepest sympathy for you and your family. I have also lost a loved one in death and I cannot express how sad I felt at that time. But I found great comfort God's word, the Bible. Isaiah 26:19 tells us that our dead ones will live again. Also I found comfort at Revelation 21:3,4 where it God promises us that no one will say I am sick and there will be no more pain or sickness. Death will be no more. These are promises that God makes to us in the near future. It brough me great comfort knowing that my dead loved ones would be brought back to life and we will all live together in peace and happiness with no more death or sickness. I hope these scriptures brought you great comfort as well.*
