“ We remember Enos driving up to Philadelphia from Georgia, for the funeral of my mother-in-law Michalena Malik Urban in 2001. I had the pleasure of meeting him at that time. He seemed like a pleasant fellow. My wife Arlene was a second cousin to Enos (I think he went by charlie). She had known him growing up in Philly from the large extended Malik family. I am the family genealogist and found his obituary today. I am sorry for your loss and would have loved to have known and met him more. Tom and Arlene Devon, Longview, TX
