“ *No one can prepare you for a loss; it comes like a swift wind. However, take comfort in knowing that she is now resting in the arms of our Lord. I will always remember my Mother. She was a wonderful mother to me and my brothers. She has been gone now a year and I miss talking to her!*

“ To Larry and all of Erma's family, I knew Erma at First Baptist Church. She was such sweet, dedicated lady, always smiling and helping others. She was a real friend in time of need. She loved the Lord and she loved her family. You have my deep sympathy in her passing. She will be missed by so many.

“ We lived next door to Erma when I was a small child and Michael was my first best friend! She was the sweetest lady who loved her boys. She was a hard worker with the most cheerful disposition. I have such warm fond memories of this special lady. I pray God's love and gift of peace will sustain her family during this time of loss.

“ I worked at the First State Bank & Trust and then we were Regions. I remember Erma on the switch board and she was good. I also remember her working as a waitress when she would get off from work at the bank. Erma put in a lot of hours. She was always kind to me. I pray that God will wrap his arms around the family in the days ahead and they will fill his love for them.

“ I am saddened to hear of Ms. Erma's passing. We worked together at First State Bank back in 1984-86. I worked on the third floor at the main office and she taught me how to answer the switchboard, so that when she needed a little break, I could relieve her. She was the sweetest lady. We shared many laughs. I will keep the entire family in my thoughts and prayers.

Erma and I worked at First State Bank at the same time and in my opinion she was probably the best switchboard operator that the Bank ever had. Pat Norton

We were so sorry to hear of Irma's passing. Irma and the Rustin boys were great next door neighbors and we loved them all. Irma was always kind and encouraging to our young family. We were always amazed at her energy and her ability to handle tough situations. We cherish our memories of this precious lady and we know she will be missed by family and friends. We are praying for God's peace and comfort for you all.
