“ I don't think I can ever forget Ernest from the first time I met him on January, 1971 when I transferred from Valdosta to Albany with C&S. He made me feel right at home and as time went on I learn just how funny he could be. I sure everyone will miss him dearly. I'm sorry I didn't know about his passing earlier so I could have attended the funeral.

With kindest regards,

“ Did this Mr. Crowley, have a son that went by the name "Sonny"? Is the same Mr. Crowley along with Mr. Ward that owned Albany Motors, Old Chevrolet dealer? Thanksfor your reply.

“ There never seem to be the right words that we can say when you lose a loved one. It is a difficult time; but we all have to know that there is a better place that we all go.

Bob, we will keep your father, you and your family in in our prayers. If there is any thing that we can do, please contact us.

Thank you for being the type of person you are. I know your father had to be proud of you.

“ *Jean, Bob, and Tom:*
You have always been like my second family. When we moved to Bradford Court, it wasn't long before you and Ernest were right next door again. Being neighbors for 53 years, we couldn't stay apart. I will miss Ernest. He always made me laugh with his sharp wit. Mama and I share in your sorrow. Jean, we will be right next door whenever you need us.

“ Jean, Tom, Gail and family....
How sad to hear of Ernest's
death, but I know you all rejoice that he is free from
suffering....
He was a great guy! I never will forget him for giving me
a chance at C&S when all I
could do 'was play the piano'..Not only did he give
me a chance, he invested in
a career that was second to
none. I am, indeed, grateful
to Ernest for giving me a chance and for all the others
to whom Ernest gave a chance.
The world will miss a great
guy!!
My love and prayers to you all.
