“ Ernie was a wonderful neighbor and we lived beside him for many years. When we were away he would always keep a good eye on our place, check our mail and get any packages that were left and we would have talks with him about anything. He was a really wonderful person and neighbor and he will be greatly missed. Our thoughts and prayers go out the to the family.

“ Mr LeMay was one of the sweetest, most helpful and dependable men I knew. He was always early for work and always said to me, "Hey Robin, it's about time you got here!", joking because I was on time but, late to him. I will miss making coffee for him and hearing his voice and seeing his smile and so much more! Love and prayers to his family. Robin Spurlock, RN, Surgicare, PPMH
