“ *To all of the Murphy family, I was just a little baby when I became part of the Murphy family. Even though my sisters and I didnt share blood with you, we were welcomed, accepted and loved just as the rest of the Grandchildren. We never felt like we were "step" family, we were just family. You were loving Uncle's, Aunt's, cousins, and Grandma was Grandma to us too. The most important and binding part for me was Ronnie, or for me "Ronnie Daddy." I know that Grandma missed him after his death as did all of us, but I am sure that she has found comfort with him now. I just wanted to say thank you for being so open and loving to all of my family. I love you all and my prayers are will all of you. Love, Michelle and Family*

“ *To have known Mrs. Murphy was a pleasure. Wherever you went around her she always made you feel welcome. She was well known for her good cooking and was always ready to prepare a meal for you when you came to visit. She came to my home several times when she was able, and i always enjoyed having her. She was a beautiful person , She was like a flower in bloom , She always had a big smile for everyone she came in contact with. But she is resting in peace now and that's what she would want us all to know. We loved you Mrs. Murphy Gwen and Jim King and Family*

“ I know my grandma is now in a much better place. She is free of pain and resting with the angels. She is with my grandfather and Ronnie. Most people knew her as an amazing cook which she of course was, we all knew her as an amazing grandmother! I stayed with her almost every weekend: pouring tea when i could barely see over the tables. I couldn't wait for friday afternoons because i knew i would get to spend the weekend with grandma teen! We will all miss her so much. I especially will miss the fact that my own children will never realize just how amazing she truly was. She spent her life serving others and absolutely loving it now it is her turn to go home and rest. Thank you everyone for all the kind words, thoughts, and prayers you have shown the Murphy family.

“ Harold, Sammy, Tim, Julie, Rachel and to the rest of the family, I extend my deepest condolences upon the passing of Mrs. Murphy. I remember when my family lived across the street from you all (Harold, Sammy and Tim) when I was about 12 years old. I used to help Mrs. Murphy with her banquets at Avalon Methodist Church. She was a very nice lady. May God give you strength during this trying time. I lost my mom about 15 months ago, and I know what you are going through. God bless you all and much love.

Sincerely,
Jan
