“ *Dear Scott and family,*

Your Grandma was a very nice lady. She was also a great cook and I especially loved her cornbread! I will miss her and her Sunday dinners. I know that she has gone to a better place. My family wants you to know that you have our deepest sympathy and we are praying for you at this time.

“ My first contact with Mrs. Ernestine was through the Elk's club. She wanted to know who was the teacher that taught her grandson Mark. Someone had told her that I taught at Merry Acres. From that first meeting, I grew to love this lady. We had many dinners together and all she talked about was her children and grandchildren. She was the most special lady I have ever met. My heart goes out to all the family members. She will be truly missed by us all but I know by her family. Farewell to a beautiful lady inside and out.

“ Truly my thoughts and prayers are with you during these difficult days. What a blessing "Ernie" has been to so many during her lifetime. I count it a privilege to have known her and worked with her in the Woman's Club and Dawson Road Garden Club. She was truly a very special lady and will certainly be missed by many.
