“ *I would like to send my thoughts & prayers with you @ the loss of Mrs. Mills. She was my first boss at Jason's, & she encouraged me to go into the medical field. I now work at Albany Internal Medicine where I would see her when Mr. Bill would bring her in. She was always so good to me, I will always remember her & her impact on my life as a young girl on my first job.*

*In my thoughts,
