“ *Linda and family, sorry to hear about Ethel's passing. I just receive the Metter paper. I have thought about her a lot over the years, we just lost touch. She was a great lady. Growing up I always looked forward to their visits to Temp and Abbies. Those were good memories I will always remember especially the poodle she had. I hope your family is all well. Please call sometime 404-288-1953*

“ Although I wasn't fortunate enough to meet Mrs. Cartee in person I feel I know her through the loving eyes and soft spoken words of love from her daughter - Linda.

*I have chosen an excerpt from a poem I received sometime ago called 'Grandma's Hands'. The Author is Unknown. The poem is a 90+ year old Grandma who is looking at her hands and telling her children how her hands carried her through life. I thought this particular excerpt would be fitting for the Cartee family at this difficult time. May it bring you peace and comfort.*

*Here are Grandma words:*

*'These hands are the mark of where I've been and the ruggedness of life.*

*But more importantly it will be these hands that God will reach out and take when he leads me home. And with my hands He will lift me to*

*His side and there I will use these hands to touch the face of Christ.'*

*Mrs. Cartee sounds like this Grandma.*

*God Bless you all during this great time of sorrow.*
