“ *Pat, I don't know if you remember me or not, but I worked at Palmyra about 12 years ago and met Ethel there. We would have lunch together almost every day she 'worked' there. We kept in touch after I left Palmyra and a few years later when I had my son, she made a beautiful quilt for him that I still cherish to this day. We moved to Ohio nearly three years ago and unfortunately lost touch, but I often thought of her and how she was doing. I felt priveleged to have known her and enjoyed her friendship...we had many laughs together. My thoughts and prayers are with you during this time and I know she will be missed.*
