“ *Mrs. Nancy, My thoughts and prayers are with you and Jennifer and the rest of the family. You and Gene have always been so nice over the years. I don't think I have ever seen a happier couple together, you and Gene; both of you, always smiling. I will miss the pats on the back every time he saw me at Woodall's, the little wink, and the words, "proud of ya". Thanks for sharing Gene and making him so happy for the rest of us that benefited from his mere presence.*

“ Dear Jennifer, My heart is so saddened by the passing of your dad. I have such fond childhood memories of him. I always knew that when I saw Mr. Crowe out walking around the neighborhood, he would stop and speak and show genuine interest in what was going on in my life at that time and that meant the world to me. I will forever be thankful to our parents for being such wonderful Christian rolemodels to us. Your father was one of the finest. You are in my prayers. Love, Amy

“ Dear Nancy, Jennifer, Frank,
and families

May your hearts be comforted in this time of great sorrow. Gene was a dedicated Christian witness to our family, and we are so grateful for his words of encouragement to us.

The last time we saw him at the doctor's office, he said, "Whatever happens, it will be alright. We know where we are going."

Comfort your hearts with the fact that our loving Lord walks before us. Psalm 23:2-3a: He makes me to lie down in green pastures; He leads me beside the still waters. He restores my soul...

All the tomorrows of our lives have to pass through Him before they can get to us.

F.B. Meyer:

God is in every tomorrow, Therefore I live for today,

*Certain of finding at sunrise
Guidance and strength for my way;*

*Power for each moment of weakness,
Hope for each moment of pain,*

Comfort for every sorrow, Sunshine and joy after rain.

Remember, God goes before us.

*Love,
Janie Martin*

“ Gene was one of the finest men that we have had the pleasure of knowing. He was always up beat about everything even his sickness. He was really strong and his Christian beliefs were positive up to the end. I know that Heaven is abtter place today with the addition of a Gene Crowe. I know that wothout a shadow of a dobt that the words, "Well done my faithful servant" is very fitting for Gene. This world will miss a person like Gene and I for one will miss his remarks at Exchange. God bless and uplift his family.

“ Nancy and family, I am so sorry to hear about the loss of your husband, father and grandfather and my very good friend. I will always cherish our friendship that we had over the years. Gene was extremely well respected and admired by his associates at State Farm. It saddens me so much, that he wasn't able to enjoy a very long retirement, after he had worked so many years. Please know that I, along with many other State Farm associates will miss him greatly. I hope and pray for the best for you and your family, during this time of your great loss.

“ Nancy,
I was saddened to hear of Gene's illness soon after leaving Albany. Now of his death that seems too sudden. While in the Exchange Club, Gene was always a gentlemen with a kind word to say. Life seems so short with those we love and I know that holds true for you and your family. The great news that we share is the fact of a promise together again. Hold on to that promise as our God gives you a blank of comfort during this very difficult time. Andrea and I hold you in our prayers in the days ahead.
In His love, John Sikes, Greensboro, N.C.
