“ I was so sorry to see Gene's obituary in the Valdosta Daily Times. I was fortunate enough to have seen him about six months ago at Bruno's when I was in Albany visiting my mother. It was so good to get to visit with him. My thoughts are with your family. I miss you all and hope to see you soon

Sincerely,

Alice George Pendleton

“ We cherish memories of you and Eugie, and will miss him very much - - he is very much a part of the life and spirit of "Monteagle", like Uncie and Harriet Brush, that I hope will always be there with us. Take good care of yourself. Bonney shares my sympathy and is sending a separate message.
