“ Susie, you've been such a dear friend of mine through both yours and my own trials for more than 15 years. We all loved Gene. I was always so happy that you found each other. Not everyone is able to enjoy such a wonderful, rich marriage. Gene was such a kind and loving man. All children, whomever they belonged to, loved being around him. His heart was kind and gentle and it made him happy to make others happy. Wouldn't it be nice to have more Gene's around. Ha :) We will all miss him but we know he's in heaven, happy, healthy and patiently waiting for us all to join him in God's glorious home for His children.
