“ *Evelyn, I have many fond memories from my early childhood times spent with you. You were always beautiful, funny and a great aunt. I guess you really lost YOURSELF and could never muster up the strength to pull yourself together. Well My sweet Aunt, you have now found a true resting place, I pray that someday when I see you, your beauty will bring back all the fond memories that lie within me. I love you and will forever be here for "your children"...my cousins. Love and prayers from Julieanna Shedrawy and family*

“ *Eve, From the night that we met I was sneaking in your brothers bedroom on Marley Place. Then to us moving in with Mom & Dad. Connie & Vinnie playing together in the playpen. Folding moms towels together and watching our soaps. To Crsty and Carrie being born we spent a lot of time together watching our kids grow up together and bumping our heads fighting like all sisters do. You moving away and me missing you. I will always Cherish the years we had and will miss you until we see each other again.*

“ Dear Lord, relying on your promises to us, I turn to you in trust that my mother is with you and that she is enjoying your loving embrace. You alone know how she loved the best she could and how she faithfully endured the struggles that she faced. You know the graces you gave her and you know the grace she was for me and for so many. For all the ways she truly loved the way you loved her, please reward her, Lord. May she enjoy the communion of all her family and friends who are with you.

Lord, I know my mother still loves us who are still here on earth. I ask you that you might listen to her fervent prayers for us. Help me to grow into a new and deeper relationship with my mother now, as I long for the day when we will both meet in your embrace - freed from all that might have hindered our relationship on earth, knowing and understanding everything we did not know or understand on this earth.

I ask you this with faith in the resurrection, trusting my mother's love, and desiring that she know my love for her. Amen.

“ My heartfelt and deepest sympathy to the family and friends of Evelyn Rose Figueira Ryals. To my old friend Evelyn, Oh if we could just go back to the days of high school and start over, how cool would that be. You brought 3 beautiful girls into this world with whom I've become very close, they're good girls. I hope you are at peace in your new place of rest, enjoy the ride.

“ My dear friend Evelyn,

We have known each other since childhood. I'm sorry the way things turned out.

My favorite memory of you (of curse their are many) is the day when you showed up at my door with Mary in tow. We were about maybe eight then and introduced yourself and said your Mom made you come up and meet me. We were the same age. Since that day on we became friends and through out the years shared many memories.

You and Bob had me as the God Mother for your first born Connie Jeane. Then came Cristy and less not forget Carrie who I watched being born while holding your hand.
