“ Mrs. Garrison was one of my "special" ladies. Our days at Mulberry Place will be fondly remembered for the rest of my life. Her humor and ability to "keep me in-line" with that look of hers.....
Whenever I buy green onions or olives or birdseed I will think of Mrs. Garrison. I will miss her singing "He Touched Me" with me and complaining that she couldn't sing!!!!
I have several pictures of our Mulberry days but more important I have the memories.
You are a wonderful family and you are all a great testament to her.
Love to all.

“ Dear David, Bill & family, Our deepest sympathy go out to you & yours...Evelyn was my mother, Peggy Stem's, very best friend & I considered her my "other mother". I loved her so much - what a smile & cute laugh..I remember shopping trips to Atlanta, pickled shrimp, both sets of parents taking about 16 of us high school Srs. on a Weekend Party to Panama City. What fun we had! And, when Dick & I married 7/2/55, his parents had been in a car wreck returning to Augusta from Albany, where they had visited to "Meet the Parents" that spring. They were not able to plan our rehearsal dinner party, so Evelyn & Dave took over & had a lovely party for us at Radium Country Club - poolside - entertainment by the famous Barons, featuring Bill Garrison & Ray Stevens....she also protected Dick the day before - Dick spent the nite with her to hide out -but one of the groomsmen, Sid, found them. She tackled Sid to prevent him from stealing the car w/our clothes...& word had it that he also had some purple magenta to use on Dick...Evelyn then packed up Dick & car, & hid him out at Miss Pearl's house! We just celebrated our 50th & have been laughing about some of these wonderful memories....& on Feb 13, '67, when Mom died, Evelyn was right there with me & Nana in the hospital....Evelyn was & is an Angel & I know you'll miss her so very much...hope I haven't rattled on too much. Fondly, Annelle

“ Mrs. Garrison and I spent some time together in the rehab unit of Phoebe Putney. Although there was a 30 year difference in our ages, we quickly became good buddies. I'd open her jelly in the "community" dining room and she and I would trade newspapers. She thought it was funny that I was an Albany Herald employee and the hospital furnished me with USA Today and brought her The Albany Herald. The nurses claimed we were the most stubborn patients they had ever had - she with her knee and me with my hip. We were both ready to get out of there. I got out first, and returned several times with cheese straws for her. I hope when my time comes I'll join her - maybe she'll even hold the gates open for me. Wherever Mrs. Garrison is (and I think I know where that is) is where I'll want to be. What a great lady she was.

“ I never see a recipe for Eggnog that I don't think of your mother. I was looking thru a cookbook this past weekend and saw one and thought to myself I sure wish I had Her recipe, it was so much better than any of these could be.
My thoughts are with you.
