May 18, 1919 - March 6, 2014

The funeral service for Evelyn Griffin Sizemore will be held Saturday, March 8, 2014 at 4:00PM at Kimbrell-Stern. Visitation was held Friday evening from 6:00PM until 8:00PM at Kimbrell-Stern. Interment will follow at Riverside Cemetery. Pastor Keith Smith and A.B. Stroud will be officiating.

Evelyn Griffin Sizemore has gone to be with her Lord on March 6, 2014 at 9:45 PM at her daughters home after a brief illness. The next to last survivor of 12 children. She was 94 beautiful years of age and I do mean beautiful. As I watch her sleeping I see beauty in every wrinkle she has I wonder, how many wrinkles I am responsible for. Mother of 11 children that were blessed to have her for a mom. Early in her life times were very hard. Her first child was born at the end of the Depression, during a time when family was all you had. She managed to keep her children together no matter what and now all the kids have done very well in life. All through my lifetime there are so many things I can think of that I miss so very much, all the great stories of her life she would tell, all the funny little quirks she had, all the biblical wisdom she would try so hard to install in us. My mom only had a third grade education but she was as smart as they come. What she lacked in education she made up for with wisdom. Oh if only we would take note and listen.

Now as I see her in her final days a tear forms in her partially opened eyes for she is aware of things happening around her, the sadness in her loved ones, and she is sad for them but not for herself. Her journey has been long and she

is ready to meet her Jesus and loved ones that went before her, for she knows that her parting from us is only temporary. Her only wish is that all of her kids will one day be home with her again.

I would like to thank our 2 sisters for all the loving caring care they give to Ma. All the countless hours and minutes of no sleep to attend to her every need. Rest assured that she was comfortable and she knew you. Your loving touch was more than she expected, you both excelled. Our youngest sister and husband gave up their home, their bedroom, their every day lives to care of Ma. No excuses, everything else was dropped. Thank you, thank you for the time, expression of love, for all we really have in this life is God and family, so please everyone hug your family member today.

Survivors include her loving kids, Charles Sizemore (Elizabeth), James Sizemore (Johnne), Nell Holmes (Wayne), Harold Sizemore (Kathy), Talmadge Sizemore (Pam), Marion Sizemore (Diane), Thomas Sizemore (Patricia Ann), Susie Yonce (Harry), 39 grand kids and numerous great grand kids and a sister, Lucille Hayes Mayers, 92, of Blairsville, GA.

She was preceded in death by 3 sons, Frank Sizemore, Ed Sizemore and David Sizemore.

“ My dear, sweet granny, how you will be missed but I will not say goodbye. I will say see you later because I will be with you again. Until then you will live in my heart and mind, all the wonderful memories and love that you so willingly gave. You were such a strong, generous, beautiful, giving person. Your wit was something that we all came to love, never knowing what was going to come out of your mouth but we all knew love was behind every word. You had a wisdom that only one gets with 94 years of life and 11 children(2 girls and 9 boys) that love and respect you dearly. I love you granny, I know the reunion you had with your 3 boys that went before you has been wonderful! Until we meet again, you are one more angel that I can add to my guardian list, Nana Ada and Gma Holmes need a break...

“ *Sitting on the Porch with You, listening to all Your wonderful stories, PRICELESS!!!*

*Even a trip to Evergreen cemetery with You , was a History lesson in itself. Could never figure out, how one person could keep so much information filed away in one head.....BUT YOU DID, and You did it so well.*

*The last few months have been BITTERSWEET. The bitter part was seeing You slip away, The SWEET , was seeing all the LOVE and tenderness , not only display from your children , but also from your Grand Children, sitting watch by Your bedside , ( Kim, Sheila , Sheree, Ray, etc,) too Your Great Grand Children painting your fingernails ,(Savanna) .*

*A Family is like a quilt , stitched together with love and time , each piece so very important .*

*I have heard my Husband say , many times , "The best gift you can give to someone , is Your TIME ". How very true this is. Time with You has given me so many memories to cherish .*

*Who now will step up and fill the shoes , that You once filled , who now will be the KEEPER , of the Family Stories???????????*

*Love You,  
Patricia Ann*
