“ *Even though I did not get to see Aunt Evelyn often I was connected with her through my Mom through the years. I heard such precious stories all my life of her. When I did get to see her she was always so kind, sweet and full of love for everyone. I am saddened with her passing but know she is now healed and living pain free. It is comforting to know she is now with her Mom, Dad and all of her brothers and sisters; what a welcoming party! Prayers to all of the family...Love, Karen*

“ Steve and Family, I was so sad to hear that Evelyn has passed away. She was always so kind and friendly to everyone. When I first began square dancing, she gave me several pairs of her shoes and other items to get me started - I was so excited to get them! Please know that your family will be in my thoughts and prayers during this difficult time.
