“ *I last saw Fay Anne at a reunion that we were taping 4 yrs ago. Her wit was displayed when after being asked on camera by the interviewer ?What is your philosophy of life? She later told me, ? What kinda question was that!? I knew her mom & dad thru dealings with the kindergarten and Bubba from AHS. Our sympathy and heartfelt condolences to the family members and may God bless and comfort you during these sad days.*

“ *I wanted to convey my sympathy to the family of Miss Greene. Though I did not know her or the family, I do know what it is like to lose someone. I wanted to share with you a thought from the Bible that I look to in times such as this. Our Heavenly Father, Jehovah, is a God of Love and he hates to see us in pain. This thought is supported at Rev. 21:3,4 where it promises that all those in the memorial tombs will come out. What a time of celebration that will be, when we will be crying tears of joy instead of sorrow. I,again, am very sorry for your loss.*
