“ *I'm sending prayers for the family during their time of sorrow. I'm sorry that I was unable to attend the memorial service (I just found out that she passed away this morning).*

Ms. Faye was always straight-forward in everything that she said. The years that we spent working together at Phil's office were great. Although I had not seen her in years, I still thought of her often. She will definitely be missed by all that knew her and loved her.

Sincerely,

“ Roy & family: So sorry to hear of your loss. I really liked Faye. She was such a "straight shooter" and I admired that about her. I knew all I had to do was "holler" and she would be right there. I absolutely love the Pink Rose you gave me when you moved. It is doing great and I will think of Faye each time I see a new bloom. We miss yall living near! Janice
