“ Miss Florence was a grand lady. I loved her laugh. She had a twinkle in her laugh. I remember her coming to Smithville Elementary School and bringing snacks once when it was one of the girl's birthday. She loved her children so much and was proud of all of them. I know she will be missed. She passed a tenderness and kindness on to her children. May God give her family comfort and peace at this time

“ *Cousin Florence was always a beautiful lady both inside and out. She brought joy to those around her. I remember when my grandmother Mom was sick and staying at Mother's and Daddy's, she would come in with a tray full of food for a meal. I know that that was a big help to my Mother who was looking after her as well as taking care of her own children. She will be missed Prayers are with all of her family.*
