“ *To the family of Floy, I would like to express my sincere sympathy and prayers for each of you during this period in your life. To me Floy was a wonderful friend. I did not meet her until after Tom died, and we immediately became friends. Each time she would come to Albany she would either call me at work or come by to visit with me. I worked with the City of Albany Finance Department for over 29 years before I retired and over the years, before his retirement, Tom and I became very good friends. I still miss him as I will miss Floy. Just know that you had two wonderful parents. My thoughts and prayers will be with you during this time of sorrow. Trust in God and he will give you the strength to get through this.*
