“ *I hadn't been in touch with Hill Mauldin for many years. Just found his obituary randomly on the internet. Let me say - Hill was a fine man and he represented my food products through Spence Geiger back in the 1980's. I'll never forget him. He taught me how to successfully do business in southern Georgia and the Florida panhandle. His easy going style and professionalism set him apart. I'm now saying a prayer for his soul. May the Good Lord take care of Hill Mauldin and may he rest in peace.*
